FOSSIL MINI-POSTERS

PURPOSE:

The purpose of this activity is for students in the Science 9 class to create a fossil mini-poster.

ASSIGNMENT – PART ONE:

The students in the Science 9 class will select one fossil from the materials in room 316. The students will research background information using the internet and complete the “FOSSIL SUMMARY” worksheet.

When researching, start here: <http://geology.about.com/od/fossilstimeevolution/ig/fossil-pictures>. Then do a Google search for your topic following by the word *fossil*.

ASSIGNMENT – PART TWO:

The students in the Science 9 class will design an artistic mini-poster advertising/describing the fossil. The mini-poster should contain all of the relevant information from the “FOSSIL SUMMARY” worksheet and be designed in a way that is both artistic and creative.
